## Your Local Connection to a professional and certified electrician you can TRUST

Your home and/or business represent a significant investment. When repairs are required or you decide to renovate, choosing a contractor is always a difficult decision. We've all had experiences, or have friends and/or family, that have had difficulties in finding a contractor. It's important to find a contractor who will show up on time, complete the job as scheduled, and guarantee their work.

**Yourlocalelectricians.ca** has the solution!

By visiting [www.yourlocalelectricians.ca](http://www.yourlocalelectricians.ca) or dialing 310.4111, consumers (and the broader construction marketplace) now have an easier way to find trained and knowledgeable professionals in a timely manner.

"We're taking the guesswork out of finding a professional", says Sean Strickland, Executive Director of **Yourlocalelectricians.ca**. "Consumers want to feel comfortable and confident about the contractor that shows up at their door. It's important they trust that the job will be done right the first time".

Formed in the Fall of 2005, **Yourlocalelectricians.ca** is a trade organization which represents 35 electrical contractors in Guelph, Cambridge, Kitchener-Waterloo and Strat-

ford areas. The contractors service residential, commercial, industrial and institutional marketplaces.

They can also perform work around the home from upgrading service to wiring new additions to installing ceiling fans and hot tubs.

When requesting a quote, **yourlocalelectricians.ca** guarantees a contractor will contact you within 24 hours to arrange a time to visit, discuss the job and provide a quote for the necessary work.

"With 35 contractors to choose from,

there is always one contractor who is available and ready to do the work", says Fred Lehmann, Marketing and Administrative Coordinator for **Yourlocalelectricians.ca**. "Our customers have told us time and time again they appreciate the quick response from our contractors." You may be familiar with some of the work undertaken by **Yourlocalelectricians.ca**. Our contractors helped build Kitchener City Hall and Freeport Hospital. They also assisted in the construction of the Toyota Manufacturing plant in

*"Joe contacted us immediately. He was courteous and knowledgeable and helped me understand the work that needed to be done. I was extremely pleased with the service provided by **yourlocalelectricians.ca** and would definitely recommend them to anyone who requires an electrician. **Yourlocalelectricians.ca** took all the guesswork out of finding an electrician I can trust!"*

Collectively, they have more than 400 years of experience. As a result, the customer will feel confident that their work will be performed by a competent and reputable contractor.

**Yourlocalelectricians.ca** are licensed professionals who regularly upgrade their knowledge and skills so they are up to date with regards to the latest regulations, products and technology. No job is too large, too small or too complex for our contractors. They can design and build large industrial projects, as well as service and/or repair communications and security systems.

*"We couldn't believe how prompt the contractor was. **Yourlocalelectricians.ca** promised to have someone contact us about our electrical needs within 24 hours ... and they delivered."*
